Beans For Bags

The Beans for Bags program at the People's Food Co-op—La Crosse gives our customers and members an opportunity to donate their $0.05 credit to a local charity or organization. Each collection cycle consists of three organizations and is two months long. We ask that the organizations we work with are local or regional non-profits, so that the funds we raise help the community we all share. Please fill out the form below if you would like your organization to be considered for the Beans for Bags program and drop it off at the Customer Service Desk in the store. For the Wooden Nickels program in Rochester, use the standard Donation Request Form on the website: http://www.pfc.coop/our-co-op/community-involvement/.
